Accessing Online Resources at Home

Purple Mash

Purple Mash is an exciting and safe online environment where children can get involved in all sorts of creative projects to support their learning in literacy, maths, science, computing, history, geography, RE, art, music and design technology.

Your child has a username and password to access the site from home as well as in school. Once logged in they will be able to show you the work they have done in school and explore the activities themselves. Please feel free to browse the site and explore. To access Purple Mash from home please visit the following site

www.purplemash.co.uk/sch/bishopbridgeman

Enter the login details when prompted (attached to this letter).

Frog (Learning Platform)

Frog is an online learning environment which children can access to take part in tasks and activities both in lessons and at home. Children and parents can look at class pages to keep up to date with what is happening in lessons and their individual logins will allow children to comment and take part in activities. Children will be able to contribute to their own class page, computing page, RE page, Spanish page and Mrs. Pilling's page. To access Frog you can visit the site

bishopbridgeman-bolton.frogos.net

Alternatively you can visit the school's website and click on the link on the front page.

Enter the login details when prompted (attached to this letter).

If there are any problems with your child's login information please ask them to contact Mrs. Alcock.
