

How you can help at home.

Reading

- Reading at home with your child a minimum of 4 times a week will enable your child to make the maximum progress in reading. This does not have to be a class-reading book. If you require any further reading books for you child please don't hesitate to speak to the class teacher.

Writing

- Encourage your child to practice their writing at home such as writing a recount of an exciting day out or a set of instructions. Check for capital letters, full stops and ask them if they can read it back to check it makes sense.
- Practice spellings using spelling frame for weekly spelling test.
- Key word practice.

Numeracy

- Telling the time would be a fantastic advantage to the children.
- Learning 2 and 10 times tables.
