

How You can Help at home.

Reading - please read with your child at least **4 times** every week (more if possible). Please record each reading session in their diary on the page where the book was issued. Children will receive rewards for reading 4 times a week. Use the local library and share their school library book with them. Children will also have a leveled reading book of their own choice.

Writing - Please encourage your child to write at all available opportunities. Help them to learn spellings by asking them to Look, Say, Cover, Write and then Check their words.

Numeracy - Please support children in completing their homework but don't do it for them! Help children to learn their Times Tables and the corresponding division facts.
