

How You can Help at home

Reading

This year, we expect children to be reading at least 5 times a week. This can be either school reading books or any other reading material. Please read with your child and make a record of this in their homework diaries. Children may also receive homework relating to their school book once a week.

Writing

Your child will be expected to write in neat cursive writing at all times. As well as taking part in handwriting lessons at school, we expect children to practice whilst at home.

Numeracy

In year 4 we encourage children to practice their times tables and number bonds on a regular basis that will help them learn other areas of maths.

Year 4

Half Termly Newsletter 9th January 2015

We Work, We Play,

We Care, We Pray

Half Termly Overview of Work

Literacy

In literacy this half term we will be writing stories about issues and dilemmas.

Numeracy

In numeracy this half term we will be starting by looking at Fractions, Time, Data and continue to apply our knowledge to word problems. Alongside this we will continue to test the children on their times tables knowledge.

Class Routines

Dinner Money

Dinner money needs to be brought in a named envelope on Monday mornings.

PE Kit

Year 4 will have PE on Monday and Wednesday afternoons. PE kits must be in school throughout the week and taken home to be washed on Friday.

Snack

Snack costs £1, which must be brought in on a Monday. Money brought in late cannot be accepted. Snack will consist of fruit and healthy snacks.

Dates to remember

Super Learning Week starts on Monday 26th January.

School Trips

Trips will be scheduled this year and parents will be informed when necessary.

Science

This half term we are studying Sound. The science work will be linked to topic where possible. Lessons will consist of practical experiments, research and written work.

Topic

In year 4 this half term, topic work will be an in depth study into Ancient Egypt. We will be exploring the importance of the river Nile, researching the Pharaohs and constructing Egyptian Tombs.

RE

The Lords Prayer

Computing

Children will be learning how to plan and write algorithms, detect and debug errors in algorithms.

PE

This half term will take part in Gymnastics.

Homework

In addition to their reading homework children will receive both literacy and numeracy homework at least once a week. This will be given out on Friday and is expected back the following Wednesday. Presentation of homework must be of the standard we expect.
