

How You can Help at home.

Reading

Listen to your child read at least 3 times a week, ask them questions about the book and check their understanding. We recommend books by Malorie Blackman, David Walliams, Michael Morpurgo and Jacqueline Wilson.

Writing

Look at the writing homework, look at good examples of the writing genre and pick out key features with your child. Help them incorporate this into their written homework. Give them time to check and improve their work. Ensure presentation in Homework books is of a high standard. We recommend keeping a diary of key events in their lives.

Numeracy

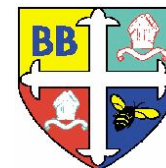

Look at the homework set on mymaths.co.uk for your child. Ensure all questions are completed by the set date and fill out an evaluation in the homework books with your child saying how they found the work and areas that require attention.

Year 6

Half Termly Newsletter 9th October 2015

We Work, We Play,

We Care, We Pray

Half Termly Overview of Work

Literacy

In Year 6 we will be focusing on linking our writing to reading. We will be finishing 'The Boy in the Striped Pyjamas'. The text types will be: diary entries, descriptions. Reading will focus on the use of language. We will then moving to Myths & Legends and writing our own narrative.

Numeracy

In Year 6 we will be focusing on Number and number systems (place value, fractions, percentages, decimals, number bonds and shape names and properties). We will also focus on 2D and 3D shapes as well as huge focus on times tables.
