15<sup>th</sup> May 2017

Dear Parents

### GARDENING EQUIPMENT DONATIONS

After our successful visit to St Thomas's RC School before Easter for their World Earth Day, Bishop Bridgeman are going to set up our own Environmental Group with representatives from each year group. The group will be identified as Eco Warriors.

The children will be involved in lots of topics including biodiversity, energy use, how to reduce our waste/litter, wiser use of water and improving our environment. As part of the improving our environment topic we would like to allocate an area of the school grounds to each year group and give the children responsibility for sowing and raising plants and vegetables.

I am writing therefore, to see if you have any unwanted gardening tools, plants, bulbs or seeds to donate to school - any donations no matter how small will be much appreciated. You can drop them off at the office any time.

Furthermore, school will be holding a "Big Dig" in school on the 27<sup>th</sup> June and if you have an hour or so spare to come along and help the children we would be very grateful. I will send out more information after the half term holiday.

Yours sincerely

Mr D Ryan  
Year 4 Teacher
