23rd November 2017

To all at Bishop Bridgeman C.E Primary School,

Harvest time seems like it was a long time ago as we begin to look forward to Christmas and the start of Winter Watch in January. We have gone through all of the donated food, sorted it into trays and boxes and started distributing it among the different sites. Unfortunately this year we were unable to weigh the food due to the change of our facilities however we are confident that we have surpassed previous harvest donations with the amount that was collected! Over 80 schools and churches all generously donated this year which was amazing to see. Please pass on our thanks to all who supported your harvest collection this year.

We are currently supporting around 120 households over the 3 Foodbank and Pantry sites; all of whom benefit from your donations. Winter Watch starts again in January and we will see around 60-70 people each might come along for hot meals over the 3 months. Your food donations will be gratefully received by all those who find themselves in need this year.

Thank you again for your support.

Yours Sincerely,

Samuel & Laura Bagley
Food Team Project Coordinators
