Come along to see what you child has been doing in school.
Event starts and 9.00 am until 9.30 am.

Movie Night - Years 1 - Year 6

More details to follow next week.

Dinner Money

School dinner money should be paid on a Monday. It should be put into an envelope with the name of your child and class written on it. It should be handed to the class teacher and not to the office unless you are paying in advance.

The cost of a school dinner has increased to £1.40 a day or £7.00 per week. The meals are ordered a week in advance so if you want to change from school meals to a packed lunch, then you must let school know in writing the week before. This request should be handed into the school office.

Recently more and more children have been bringing their books in a backpack instead of a school book bag. We have very little room in the class cloakrooms and so we must insist that children do not bring backpacks into school.

An increasing number of pupils are coming into school wearing 'Jo Jo' bows in their hair. Only plain bobbles should be worn in school.

Do you have any left over fabric/ material from a sewing project taking up room in your cupboards? If so, please donate it to school – we will put it to good
