

How You can Help at home.

Reading

Reading books in reception and library books in nursery will continue to come home. Please make sure you read regularly and sign your child's reading record.

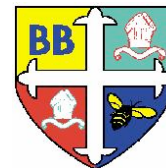

Writing

In class, we are focusing on learning to write our names and to correctly form the letters taught through phonics- using and applying them in our writing.

We discourage the children from copying or tracing letters, and encourage the formation of letters independently. If you're not sure how to encourage your child at home, please call in and see your child's teacher.

Mathematics

This half term we will be consolidating our number work. In reception we are thinking about teen numbers, and being confident to count to 20.

We would also like to take the opportunity to thank some local businesses who have supported our venture to improve our outdoor learning space.

Darren at Everlasting Lawns, Adam and the team at Jewson Builders and Danny from DT Plumbing & Bathrooms have all donated both resources and their time and we are eternally grateful.

The final thank you is to our parents – without your continued support we wouldn't be able to achieve everything we do.
