

How You can Help at home.

Reading: Please read at home at least 4 times a week. Everyone also has key words to practice reading at home. Please make sure that if you read with your child you sign your child's reading record.

Writing: Please ensure that your child learns their spellings every week, we would love to see everyone get 10 out of 10. Spelling tests will take place every Friday morning.

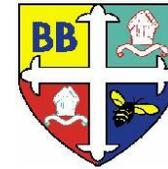

Numeracy: Practise your times tables at home, this is a really great skill to help with lots of different numeracy tasks.

Useful Websites

- * Mathletics - www.mathletics.co.uk
- * MyMaths- individual logins

Please continue to have your child in school promptly for 8.15am ready for SATs Intervention.

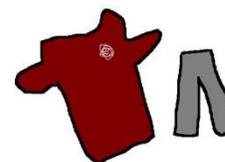

YEAR 2

Half Termly Newsletter 13th April 2018

We Work, We Play,

We Care, We Pray

Half Termly Overview of Work

Literacy

We are really looking forward to learning about adventure stories. We will be looking closely at 'The Tunnel' by Anthony Browne. We will be looking at the five parts of a story in order to construct our own exciting story. We will be using different sentence types including 2 part sentences with a conjunction in the middle.

Numeracy: We will be really busy this half term, looking at fractions including fractions on a number line, and identifying equivalent fractions for a half. We will also be looking at word problems including two step problems. We will revise multiplication and division. We will also be doing lots of preparation and practise for SATs.

Class Routines

PE Kit: PE will now take place every Monday and Thursday; however please ensure your child has correct kit in school at all times.

Snack: Snack money of £1 is payable each Monday so your child can enjoy a healthy snack at playtime.

28 Dates to remember:

20th: St Georges Day L4 Assembly
27th April: Spring Fair
30th April: Year 6 mock SATs
8th May: Class photos.
21st May: Year 2 SATs
25th May: school closes at 3.20pm.

Science: We will continue looking at plants this half term, Children will plant flower and vegetable seeds including cress, looking at Germination and conditions for growth. We will then move onto looking at habitats and Minibeasts.

Topic: Our topic this half term is the Great Fire of London, we will be learning lots about how the fire started and how people reacted and how London changed as a result. We will look at recounts from eyewitnesses such as Samuel Pepys.

RE: We will be looking at why is the Church special?

Computing: Learning about different ways we can view and sort information with a computer including binary trees and databases.

PE: This half term we will be doing gymnastics and body conditioning.

Homework: Last half term we had some super homework; everyone was really proud of their boats. Again, homework will be due in each Wednesday and will be sent home in homework books. Please make sure you practise spellings with your child and read
