WEEKLY NEWS

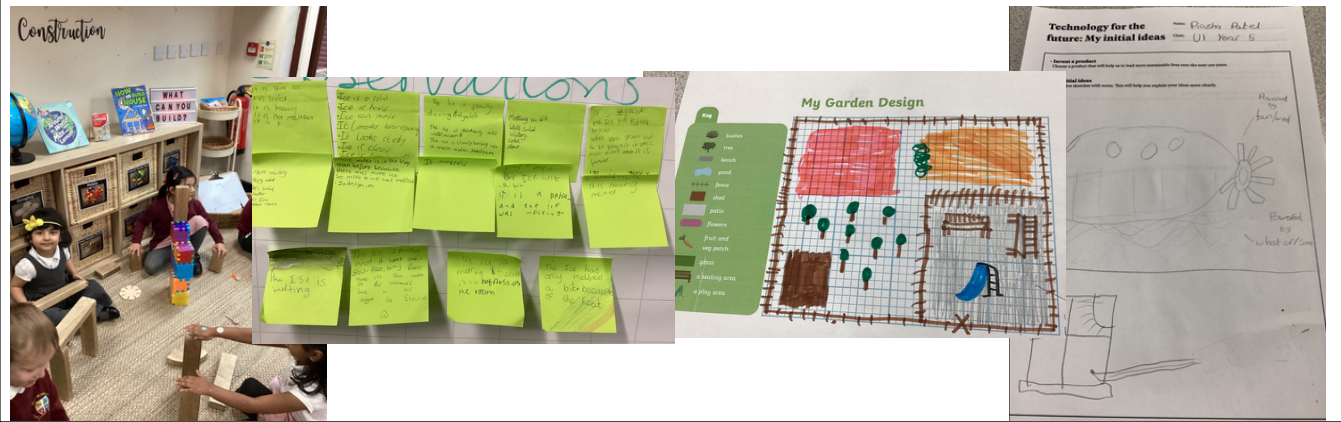

GEOGRAPHY SUPER LEARNING DAY - FIELDWORK

The children at Bishop Bridgeman enjoyed their fieldwork focussed super learning day. Not only did they get the opportunity to expand their knowledge of fieldwork, they were able to directly apply it to a topic they care about - climate change.

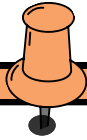

Across school, children made maps, developed their observational skills and asked some difficult questions about what action they can take to prevent more environmental change.

Here are some pictures of the activities and work from the day.

ICE CREAM SALE

Get ready to beat the heat and make a difference by buying ice lollies at school! From Monday 1st July, we're offering a refreshing selection of fruity and delicious ice lollies, perfect for cooling off during break times. Ice lollies will be on sale everyday for the week. Every ice lolly purchased by our children will help raise funds for our upcoming Summer Fayre, where we plan to create a fun-filled afternoon with exciting activities for everyone. So, please support our school in creating an unforgettable Summer Fayre experience this year!

STAFFING UPDATE

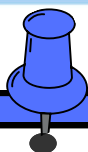

In staffing updates, it is with excitement that we can share some happy news with you all...Mrs Rimmer is expecting her second child! We are extremely delighted for her, as I'm sure you will be too. Mrs Rimmer will be hoping to complete the summer term before taking her maternity leave.

After 30 years of nurturing young minds and instilling a love for learning, our beloved primary teacher, Mrs Cooper, is embarking on a well-deserved retirement. Her passion for education and her unwavering commitment to our children's' growth have made a lasting impact on countless young lives. As we prepare to say goodbye, we celebrate her remarkable career and the joy she has brought to our classrooms. Mrs Cooper's legacy will forever be a part of our school, and we wish her the very best in her well-earned retirement.

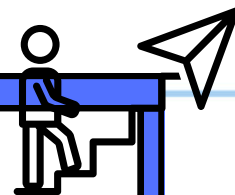

We will also be saying a farewell to Mr Mitchell at the end of the summer term. Mr Mitchell has been part of our Bishop Bridgeman family for five years - he will be dearly missed. We wish him every success as he continues his teaching career at St James and is still part of our Archbishop Temple Trust family.

We can share with you that we have appointed Miss Lee who will be joining our teaching team in the Autumn term. Miss Lee was a trainee teacher at Bishop Bridgeman this academic year. She will be visiting the school on Wednesday 3rd July for our whole school transition morning where she will introduce herself to the staff and children. We are looking forward to Miss Lee joining the Bishop Bridgeman family.

**NEXT
YEAR**

TRANSITION MORNING

Whole School transition will take place on Wednesday 3rd July.

The transition morning is a perfect opportunity for the children to spend time with their class teacher in their new class base and begin to build positive relationships.

On that day we will expect the children to go to their current class bases and once the registers etc have been taken the children will move to their new classes.

Staff are very much looking forward to transition morning and getting to really know the children they will be teaching next academic year - exciting times!
